MHB021
MH-UPDATE MANUAL CODE AND OPTION ADJUSTMENT IN MASS

PROGRAM FUNCTION:

This program updates in mass the manual code and the option adjustment by limits.

REQUIRED RESPONSES SUPPLIED BY OPERATOR:

01   Do you want to update manual codes? (Y or N)
02   If yes, do you want to update:
                  1. All manual codes
                  2. Specific manual codes
03   If specific manual codes, list codes to update (enter up to four choices)
                  0 = Pre 1991
                  1 = 89 Oregon
                  2 = 93 Oregon
04   Enter new manual code
05   Do you want to clear the option adjustment? (Y or N)
06   Do you want to print new MH appraisals? (Y or N)
         If you answered 'Y' to prompt #6, you will get these additional prompts:
07   Do you want the report in:
                  D = detail
                  S = summary
                  N = neither
08   Do you want the extended summary page? (Y or N)
09   Do you want to use:
                  S = stock paper
                  R = summary sheet paper
10   Limits
02   Parcel types and location codes
03   Printer prompts

OUTPUT SUMMARY (or N/A):

The report will list the parcel number, sheet, old manual code and old option adjustment.

If requested, new appraisal sheets will be printed on parcels whose values have changed.

SPECIAL CONSIDERATIONS:

None.
